L'anima di una sedia.

The soul of a chair.

— La semplicità
di una sedia nasconde
una storia fatta di
poesia, una eccellenza
fatta di tradizione,
ed una tela di colore.

— **The simplicity**
of a chair hides
a story made of poetry,
excellence imbued
in tradition and
a coloured canvas.

Seduto, osservo
il paesaggio della vita,
davanti a me scorre il tempo
e l'arcobaleno delle emozioni.

While seated - watching
the landscape of life - before me pass
time and a rainbow of emotions.

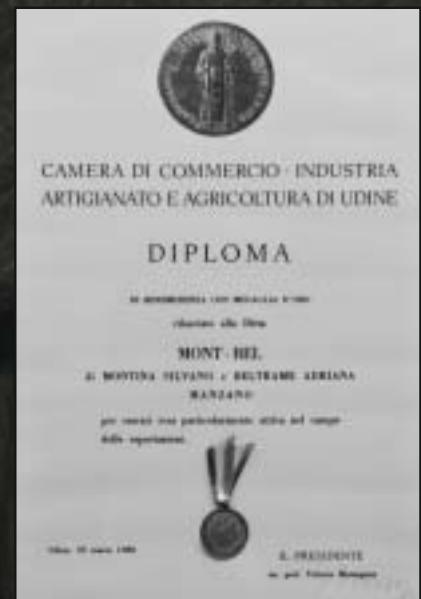

Una storia esclusiva.

An exclusive story.

— Da mezzo secolo Montbel riscrive il design e la funzionalità di un oggetto quotidiano, ma non comune: la sedia. Fondata nel 1959 da Silvano Montina l'azienda è cresciuta con il passare degli anni trasformandosi in una delle realtà più importanti del distretto industriale della sedia. La cura del prodotto, il consolidamento di una clientela nazionale ed internazionale e la continuità generazionale all'interno della famiglia hanno contribuito alla nascita, negli anni '90, di una collezione firmata con il proprio marchio. Oggi come allora le creazioni Montbel sanno unire l'ottimo design all'alto comfort e alla massima resistenza. Il tutto per soddisfare il cliente, sia nel settore residenziale che in quello contract. Montbel propone la sua anima italiana esportandola con successo in tutto il mondo. L'immagine affermata è dunque quella di un'azienda che, sposando tecnica ed estetica, contribuisce a rendere più belle, razionali ed accoglienti le aree dell'abitare, dei luoghi di lavoro, dell'ospitalità. Con eccellenza.

— Montbel the company that for half a century has been re-writing the design and meaning of an everyday but not common object: the chair. Montbel was founded in 1959 by Mr. Silvano Montina, over the years has grown to become part of the most important reality in the industrial district of the chair. The care given to the completion of the product, the consolidation of its national and international clientele, the latest generation of the family are only some of the aspects which, in the 90's allowed Montbel to continue the Company's transformation: the creation of a collection trading with its own brand name. Today, as in the past, Montbel's creations know how to combine great design to the high comfort and maximum resistance. All to satisfy the most demanding customers. Montbel continues to offer new products to the international market. Its Italian soul rises through the selection of the high quality materials used and the attention paid to each phase of the production. This is exported with success all over the world. Portraying a solid image of a company which combines aesthetics and ethics as well as contributing with excellence to make the areas we live in, the work place and hospitality environments more balanced, attractive and cosy.

Il rispetto della natura. La prima scelta di qualità.

Respecting nature. When quality is chosen first.

— Dalla scelta di un bosco inizia un percorso fatto di conoscenza, di passione e di rispetto della natura. La provenienza del legno avviene attraverso un processo di deforestazione controllata. Ogni tronco diventerà l'architettura di una seduta, restituendo all'uomo l'antico privilegio delle relazioni.

— When selecting a wood, one begins to wend a path shaped by knowledge, passion and respect for nature. Selection of the wood takes place through a procedure of controlled deforestation. Every log will become the architecture of a seat, while giving back to man the age-old privilege of relationships.

A regola d'arte.

Abiding by the rules of one's art.

— È solamente l'esperienza dell'uomo che consente il migliore utilizzo del legno. L'esclusivo percorso di qualità conserva la tradizione ebanista e trasforma la materia prima in manufatti a regola d'arte e con un ciclo di lavorazione totalmente interno.

— It is only the experience of man that allows for the best employment of wood. Such an exclusive quality path enshrines the cabinet-maker's tradition, transforming the raw material into masterly manufactured handicraft articles, through a processing and machining cycle which is entirely in-house.

Il paesaggio delle stagioni. /
The landscape of the seasons.

L'avventura del colore.

The adventure of colour.

— Il progetto si accende di una nuova creatività; le aniline colorate, le laccature, la melodia degli abbinamenti trasferiscono una libertà compositiva ed uno stile unico e riconoscibile. Montbel conferma la sua eccellenza e la sua predisposizione al mondo del contract internazionale.

— The project takes on a new form of creativeness; the coloured anilines, the types of lacquering, the melody of the matches convey compositional freedom and a unique, unmistakable style. Montbel confirms its excellence and preparedness for the world of the international contract market.

L' atelier della confezione.

The manufacturing atelier.

— Il ciclo interno di confezione veste le nostre collezioni con un processo sartoriale che ci contraddistingue per la cultura del dettaglio e la qualità dei materiali. La cultura di progetto diventa una filosofia di prodotto "pret a porter" fatta di manualità, esperienza e sensorialità.

— The in-house manufacturing cycle provides the apparel for our collections through a tailoring process distinguishing us due to our care for details and the quality of the materials employed. Our dedication in designing becomes the philosophy of a ready-to-wear article, epitomizing manual labour, experience and sensuousness.

Quality awards.

— Solamente la mano dell'uomo è in grado di controllare la qualità della tecnologia.

L'arte e la tradizione innescano un dialogo continuo che conduce sempre alla eccellenza del made in Italy e del rispetto delle più importanti norme internazionali di controllo qualità.

— Only the hand of man is able to control quality in technology.

Art and tradition generate a continual dialogue, ever leading to the excellence of Italian-made products and to compliance with the foremost, worldwide rules on quality control.

Edi e Paolo Ciani

Collezione di sedute elegante e sofisticata.

La sinuosità delle curve rende Wave pregiata sia dal punto di vista estetico che produttivo. Il binomio legno massello e pelle o tessuto è quanto mai raffinato, la lavorazione della tappezzeria le regala il fascino del dettaglio sartoriale.

A collection of smart, sophisticated seats. The sinuosity of the curves makes Wave precious both from an aesthetical and productive viewpoint. Truly refined is the binomial solid wood plus leather or fabric; the masterly processed upholstery regales it with the fascination of a detail such as only a tailor could conceive.

Per la normale pulizia spolverare periodicamente con un panno pulito, morbido e asciutto. Eventuali macchie possono essere rimosse usando un panno pulito imbevuto di una soluzione di acqua e sapone neutro bianco. Evitare di strofinare la superficie da trattare, ma tamponare, dall'esterno verso l'interno della macchia. Non asciugare la pelle alla luce del sole o con l'asciugacapelli. Non utilizzare mai sostanze detergenti non consigliate in quanto possono danneggiare il rivestimento in pelle causando crepe o scolorimento. Per mantenere vivo il colore del rivestimento evitare l'esposizione del manufatto di pelle alla luce diretta del sole.
For normal cleaning just dust the leather with a clean, soft dry cloth. Any stains can be removed using a damp cloth and mild white detergent. Do not rub the surface but dab it from the outside towards the inside of the stain. Do not dry the leather in the sunlight or with a hair dryer. Do not use detergents that are not specific for leather, as they can damage the surface causing it to crack or fade. To keep the colours bright, do not expose the leather to direct sunlight.
